7. In respect of Srinagar Banihal Expressway Limited, the subsidiary company as on date all the loan accounts of the company with banks and financial institutions become Non Performing Assets (NPA). Three of the lenders have already recalled their loan by issuing demand notices and further pursuing recovery proceedings. Two Lenders have also initiated recovery proceedings by filing application before Debt Recovery Tribunal (DRT).

The subsidiary has achieved PCOD on 27th March 2018 and has been receiving Annuities regularly and also received Lapsed Annuities for some portion of the lapsed period attributable to NHAI. The remaining life of the project is 11 years and estimated annuity receivables are ₹ 27,919.77 millions (Approx). The subsidiary is confident of repayment of principal and interest to the lenders in the coming years.

8. In respect of Hospet Chitradurga Tollways Limited, a subsidiary company, ceases to be a going concern as the project was terminated on mutual consent by the subsidiary and National Highways Authority of India (NHAI) "the Concessioning Authority". The consequential financial impact was provided in the financial statements during the earlier year.
9. In respect of Sehore Kosmi Tollways Limited, a subsidiary company, M.P. Road Development Corporation Limited (MPRDC) issued a notice to the Company on September 18, 2020 arbitrarily suspending the Concessionaire's rights under Article 37 of the Concession Agreement.

The subsidiary responded to the Suspension notice on November 03, 2020 denying all the allegations made by MPRDC, intimating the various defaults committed by MPRDC under Article 37 of the Concession Agreement ("Default Notice") and requesting MPRDC to withdraw the Suspension notice.

Even after expiration of 90 days from issue of Default Notice, MPRDC failed to act in terms of the Concession Agreement. Accordingly, after taking legal advice, on February 08, 2021 subsidiary issued the notice of Intention to Terminate providing MPRDC 15 days' cure period in accordance with the Concession Agreement.

Subsidiary issued termination notice dated March 12, 2021, to the MPRDC in terms of Article 37 of the Concession Agreement and calling upon MPRDC to release the aggregate amount of ₹ 968.60 millions due and payable to Concessionaire in terms of the Concession Agreement immediately but not later than 15 days from receipt of the notice.

On May 25, 2021, subsidiary received a notice dated May 20, 2021 from MPRDC declaring the Concession Agreement (CA) as deemed to have been terminated as per clause 36.5.2 effective from May 15, 2021 being the expiry date of the last extension period notice set forth in clause 36.1 of the CA (suspension upon Concessionaire default). The subsidiary has fair grounds of objection and responded the same vide letter dated June 21, 2021 denying the contents of the MPRDC letter, in its entirety, for being factually inaccurate, baseless and belied by the record. Further, upon termination the Concessionaire shall comply with divestment requirements mentioned in Article 38 of the Concession Agreement, the subsidiary has complied all the requirements and communicated the same to MPRDC vide letter dated June 30, 2021 and requested the MPRDC to provide the vesting certificate in accordance with Article 38.4 of the Concession Agreement. However MPRDC has disputed the matter and denied concessionaire's request vide letter dated July 08, 2021.

The Concession Agreement being the sole agreement executed by the subsidiary, termination of the same has now resulted into liquidation basis accounting which has been adopted in preparation of these financial statements. This basis of preparation differs from the going concern basis adopted during the previous year ended 31 March 2020. Under the liquidation basis of accounting, all assets and liabilities are measured at their net realisable value. As toll collection and Annuity right has been taken over by MPRDC from the subsidiary, subsidiary has claimed an amount of ₹ 968.60 millions from MPRDC and based on its internal assessment and legal advice, management is confident that it will be able to recover the entire amount from MPRDC. In the event MPRDC does not pay the amount claimed, the matter will be referred to arbitration in accordance with applicable law. However, on a prudent basis, the subsidiary has accounted for receivable from MPRDC to the extent of ₹ 582.00 millions only i.e Intangible and Financial asset in books as on termination date of the project.
