### Greentech Safety Award 2011 for Ramky Infra

Hyderabad (06 April 2011): In keeping with its tradition of excellence in safety, Ramky Infrastructure Ltd (RIL) has won the prestigious 10<sup>th</sup> Annual Greentech Safety Award 2011 in the Gold Category in the Construction Sector. RIL has made it against other big corporate leaders in the market.

The 'most admired top honour Greentech Safety Award' is presented annually by the Greentech Foundation to recognise excellence in fire and safety management. According to the Foundation, it is the best to have a global recognition, a strong corporate status of organisation's commitment to safety, and the most effective method of proving the safety achievements to stakeholders.

Commenting on the winning of the award, RIL Managing Director Mr YR Nagaraja said, "Ramky has a tradition of strictly following all the stipulations laid down for ensuring maximum safety at all its project locations. Safety of our employees is a passion as well as a commitment for us. This is evident from our safety record over the years."

Establishing its record in safety and environment management, RIL had won the 11<sup>th</sup> Global Greentech Environment Excellence Award 2010 in the Silver Category in Service Sector for outstanding achievement in Environment Management for '80 MLD Sewage Treatment Plant at Airoli, Mumbai', and the 9<sup>th</sup> Annual Greentech Safety Award 2010 in the Silver Category in the Service Sector for Ramky Towers Project in Hyderabad.

The award would be presented in New Delhi on 29 April 2011 coinciding with the 10th Annual Greentech Fire Safety and Security 2011 Conference and Expo.
